IC3T 2015

International Conference on Computer and Communications

Hosted by: CMR Technical Campus
In Association with CSI Hyderabad Chapter, Division 5, Education and Research, CSI –India
Dates: 24th-26th July 2015, Venue: CMR Technical Campus, Hyderabad
www.cmrtc.ac.in/ic3t2015/

Call for Participation/Paper Presentation

Following the big success of First IC3T during March 2014, now it is set to organize 2nd International Conference on Computer & Communication Technologies- IC3T 2015 in association with Division V, Education & Research, CSI India, and Jointly Organized by Department of CSE & ECE of CMR Technical Campus during 24th – 26th July 2015.

In this regards all the prospective authors are invited to submit their original research articles related to the themes of various special sessions and subjects related to Computers and Communication Technologies. IC3T act as a major forum for the presentation of innovative ideas, approaches, developments and research projects and also it will be a platform to exchange the information between researchers and industry professionals.

Paper Submission and Proceedings: Submitted articles should be neither previously published nor under consideration for publication elsewhere. All papers will be refereed through a peer review process. Proceedings will be published by a prestigious international publisher & available online. Prospective authors are invited to submit paper(s) not exceeding 8 pages written in A4 size.

Submit your papers in below link:  [www.easychair.org/conferences/?conf=ic3t2015](http://www.easychair.org/conferences/?conf=ic3t2015)

Scopes: IC3T 2015 will provide a platform for researchers and practitioners to interact with one another and discuss the state-of-the-art developments in the field. The topics of the conference will cover all aspects of research and applications in Intelligent Computing, including but not limited to:

- Big Data
- Machine Learning
- Cellular Automata
- Membrane Computing
- Cellular Computing
- Mobile Computing
- Compressed Sensing
- Molecular Computing
- Computational Nanotechnology
- Multi-Agent Systems
- Data Intensive Computer Architecture
- Data Mining and Knowledge Discovery
- Embedded Systems
- Pattern Recognition
- Evolutionary Computing
- Resource Management and Scheduling
- Fuzzy Computing
- Sensor Networks and Social Sensing
- Green Computing
- Smart Environments and Applications
- Human-Computer Interaction
- Swarm Intelligence & Swarm Robotics
- Intelligent Control
- Ubiquitous Intelligence and Computing
- Intelligent E-Learning Systems
- Web Intelligence and Computing
- Intelligent Video & Image Processing
- Wireless Networks
- Internet Security
- Wireless Protocols and Architectures
- Knowledge Management and Networks
- Optical Computing
- Neural Computing
- Intelligent Learning Systems
- Web Intelligence and Computing
- Intelligent Video & Image Processing
- Wireless Networks
- Internet Security
- Wireless Protocols and Architectures
- Knowledge Management and Networks
- Optical Computing
- Neural Computing

Special Sessions on Software Engineering and applications, Cyber Security and Digital Forensics, Applications for Fuzzy Systems in Engineering

Important Dates:

Submission of Full Manuscript: 10th March 2015
Notification of Acceptance: Acceptance will be sent as soon as the reviews are completed.

Last date of Notification: 15th March 2015
Camera Ready Paper: 20th March 2015
Early Registration Starts: 20th March 2015

Conveners:
Dr. K Srujan Raju, HOD-CSE
Ph:+91-9246874862,ksrujanraju@gmail.com
Prof. G Srikanth, HOD-ECE
Ph:+91-9248727226,hodececmrtes@gmail.com

Springer Editorial Member: Dr. S Chandra Satapathy
