On Being “Discontinued”

We’ve been contributing Crossword Column under Brain Teaser section since April 2011. Over the months, we have seen the increased interest and enthusiasm among readers of CSIC and every month, month after month, we have been creating Crossword puzzles on the theme topic and check responses from the solution providers and publish names of all or near all correct solution providers. It’s been a magnificent experience. Sorry for the disappointment.

We are overwhelmed by the responses and solutions received from our enthusiastic readers

Congratulations!

ALL correct answers to February 2015 month’s crossword received from the following readers:

Er. Aruna Devi (Surabhi Softwares, Mysore) and Surendra Khatri (Senior CSI Member, Retired From Survey of India)
