## Computer Society of India Young IT Professional (YITP) Awards 2017

The Young IT Professional Awards are instituted to encourage Researchers, IT professionals/ Practitioners, Entrepreneurs, Researchers, Academicians, or Ph D/PG Research Scholars below 35 years of age in service/support/research/ education/training function in the field of Information Technology.

These awards are instituted both at the national as well as at the regional levels. The winners of the each region will qualify for competing in the final national round.

## OBJECTIVES

To recognize the significant contribution(s) made by a person as mentioned above.

To motivate upcoming professionals and enhance the prestige of the profession by enabling them to exercise their skills and competencies in the best possible and innovative manner

To directly or indirectly contribute towards the improvement of professional effectiveness in different spheres of life

To motivate young men and women to imbibe the entrepreneurial spirit and thereby encourage more and more people to venture into entrepreneurship

To encourage contribution in boosting the economy of the country and promote research

## Criteria

The most outstanding technology project related to any theme mentioned here (but not limited to), completed during the year 2016 / 2017 (project duration could be of 2-3 years from the start date) within an organization will be judged for following criteria by the selection committee:

- Criticality of IT Usage
- Improvement of Customer Service
- Innovation, Return on Investment
- Quality of Management
- Impact on Organization and/or Society

## Eligibility

Any individual below 35 years of age (as on 31st March, 2017) who are either working professionals/practitioners, entrepreneurs, researchers, academicians or Ph D/PG Research Scholars and has made significant innovation in the areas of IT applications and services, research and academics to bring improvement in service, support, research and education/training in the field of Information Technology.

Participants can be from CSI corporate members, Business organizations, Research Institutes and Interns from incubation centers of universities. Only those individual with minimum of 3 years and maximum 12 years of experience or Ph. D/PG Research scholars below 35 years of age can participate in this competition.

A team of maximum 3 members meeting all the eligibility criteria may be nominated. The project nominated should be original and not published earlier.

Nominations should be supported by the organization/Institutions to which the applicants are attached. Applications nominated by any CSI Fellow are also eligible.
